# BECOME A SPONSOR

The Resource Center for Parents and Children (RCPC) is proud to announce our **34th Annual Mosquito Meander 5K Fun Run/Walk**, presented by Kinross Fort Knox. This cherished community event brings together runners, walkers, families, and local businesses to support programs that strengthen children, youth, and families across the Interior.

Proceeds from this year's race will benefit RCPC's three core programs:

**Family Services** – Providing free parenting classes and personalized family support, offered both in-office and online. Our Family Support Workers partner with caregivers through regular visits, sharing guidance on child development, parenting skills, and connections to community resources.

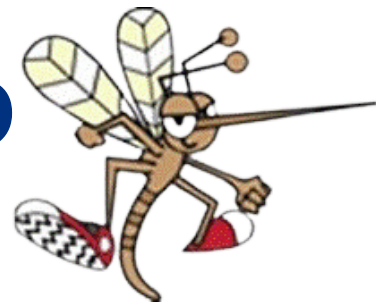

**Stevie's Place Child Advocacy Center** – A child-friendly, neutral setting where children who may have experienced maltreatment receive compassionate support and advocacy. Stevie's Place works alongside investigative partners to ensure children and their non-offending family members feel safe, heard, and supported.

**Behavioral Health** – Delivering evidence-based, trauma-focused care. RCPC's master's-level clinicians offer specialized treatment modalities that help children and families heal, build resilience, and move forward.

By sponsoring the Mosquito Meander, you directly support child abuse prevention, provide critical advocacy services, expand access to behavioral health care, and strengthen families through parenting support. Sponsorship is more than a contribution – it is an investment in the well-being and future of our community's children.

**Join us in making a lasting difference.  
We hope we can count on your support!**
